GREAT NEWS

The Toyota PROFESSOR has been released and has been developed as an easy to access in-dealership product knowledge system, based around the Toyota models.

It explains product features and Toyota technology using short video clips, diagrams, photographs and PDF's.

It can be used as a point of sale device and as an in-dealership sales training tool.

Please enjoy this anti-slip strip on the back of your mobile phone

For further information OR to have the Toyota PROFESSOR installed on your computer, call my assistant on (02) 9710 3483
