Helping you Keep the Rubber Side Down

The sun is shining, the road is dry you just want to get out there - who wants to talk about safety?

Richie Morita Race Team members Michael Barnes and Danny Estick share their tips for preparing your bike and your body before a ride.

Visit www.geico.com/information/safety/motorcycle/video/ in this video you will hear other riders tell their crash stories and learn how to avoid having a crash story of your own.

State Auto encourages you to put down your cell phone and watch the road.
