

The World's Largest Lost and Found Recovery Service
with over 85% of lost items successfully returned to their owners

Without TrackItBack,

***lost items have less than a 1% chance
of ever finding their rightful owners***

TrackItBack helps our customers recover their lost valuable items, with a **proven recovery rate of over 85%**! TrackItBack facilitates the return of the lost item to our customers, anywhere in the world, at no additional charge.

LABEL FEATURES

HOW IT WORKS

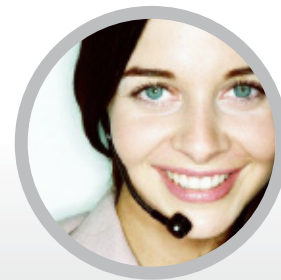

YOU

Attach a weather-resistant, self-adhesive TrackItBack ID Label to your mobile device and register your unique TIB code at www.trackitback.com

FINDER

Reports mobile device found to TrackItBack using website or toll-free phone number. Receives reward from TrackItBack upon return of item.

TRACKITBACK

Facilitates the recovery of the mobile device from the finder, and returns the item to you from anywhere in the world – FREE OF CHARGE.
